

Phil and Denise Reed - Missionaries to Ukraine

The Reed Report

August 2014 Volume 6 Issue 7

“Open your eyes and look at the fields! They are ripe for harvest.” John 4:35

We are Here

We made it to Kiev, Ukraine with uneventful flights, just a few delays. Thank you for praying for our travels. Also, most of our things arrived from Crimea before we came, though we are not sure what happened to some of them (like our table legs). It has been good to unpack and to get settled in the house that will be our home until January.

The beautiful city of Kiev (pictured below) is the capital of and largest city in Ukraine. With about 2.8 million people, it is the 8th largest city in Europe. Living in Kiev is very different from visiting, but we really love being back in Ukraine and have enjoyed our first month here. We live in a village just to the west of Kiev.

Sunday, August 24th was Independence Day in Ukraine. Ukrainians celebrated, along with others, their 23rd year of independence, realizing how close they came and are to no longer being free. May God continue to give Ukraine’s leaders wisdom.

Thanks to the Minnesota Assemblies of God youth, who raise money for transportation for missionaries through a program called Speed the Light, we were able to go car shopping. We found a car, have received approval for it, and hope to have it in the next couple of weeks. Watch for pictures and more information in our next newsletter or on [Facebook](#).

This month we not only got settled, but also celebrated Phil’s 50th birthday as well as our 26th wedding anniversary. We also initiated the registration process for our temporary residence, started Russian lessons, and hosted Ukrainian friends in our home. You will be able to read more details in our monthly [update blog](#) soon. Next month we will travel to Moldova for visas and will work on more relationships and our language skills.

Progress

In the last month, we were blessed to have more partners commit to giving monthly, putting us at 98.5% of our budget. PTL!

Our support base has two parts: prayer and financial. Your prayers support us spiritually and your financial gifts support us physically; both are vital for missions.

Thank you for the support role that YOU have taken. We love and appreciate YOU!
