

Phil and Denise Reed - Missionaries to Ukraine

# The Reed Report

October 2014 Volume 6 Issue 8

“Open your eyes and look at the fields! They are ripe for harvest.” John 4:35

## Our Speed the Light Car

The Assemblies of God youth give to provide transportation for A/G missionaries around the world through a program called Speed the Light. We purchased a 2014 Toyota Highlander with their help. We are so grateful to the A/G youth of Minnesota who gave to help us!

Unfortunately, just 3 days after we brought it home, Phil was involved in an accident. He had the right of way in a circle and another car drove into the front passenger door. No one was hurt and the car is still drivable. We know that it could have been so much worse. All of this car stuff has been a cultural experience and we still do not know when it will get fixed!

Thank you for praying for us. We know that God keeps His hand of protection on us!!

Our trip to Moldova was safe and we received our short-term visas as planned, which was the first step in applying for our temporary residency permits. We should have them next month.

Currently, our focus is on the Russian language. Some days are better than others, but we are working hard and making progress.

We try to write an update blog every month (you can find it on our website). It provides more information than can share in a newsletter. Life here can be quite an adventure. We will have more stories for you to read early in November.

From October 25 through November 1, we will be in Krivoy Rog (where we lived for almost two years) with a team from our home church. We are excited about the opportunities for ministry and look forward to seeing friends again! Please pray for us!

Ukraine’s parliamentary elections are on Sunday, October 26. Also, as the war in the southeast part of Ukraine continues, please pray for Ukraine! She needs God’s help and direction!
