New Year, New Place

With our Area Director and family returning to Ukraine around the first of the year, we had to look for different housing in Kiev. It was great to stay in their home for five months, but we are glad to have our own place! After looking at a number of places, we settled on one that is less than a block from the metro (subway), is on the 20th floor, provides a great view (top photo, looking west away from the city center), and is in a newer building. The kitchen (middle photo, before we moved in) is very modern and nice.

We finished moving two days before Christmas and were able to celebrate with friends over a turkey dinner (bottom photo).

Thank you again to the youth of Minnesota for our Speed-the-Light car. It is still not fixed, but that is something we hope to take care of soon.

We continue to focus on language, except for a two-week break for moving and the holidays.

Our ministry trip to Krivoy Rog, with a team from our home church in late October, was amazing. It was great reconnecting with friends and was one of the best weeks of ministry ever. You can read much more about this and what else we have been up to in our [Update Blog](#).

Ukraine’s parliamentary elections in October were uneventful, but please continue to pray for Ukraine, her people, and the economy.

We need and appreciate your prayers so much! We know that God’s hand is on us because you are praying for us. Our monthly prayer calendar can be found [here](#). Thanks for praying!
